## when you need hope

When you least expect it, life can change in an instant. A tragic accident, a home fire, the death of a loved one; at one time or another, we have all faced personal disaster.

When you're a member of the Ensign family, there is help. In times of need, it's good to have someone to fall back on. The Emergency Fund may be able to provide financial support and resources to help pick up the pieces after a personal crisis.

## love one another

In 2008, a Service Center resource found himself facing an unexpected life challenge. He thought about others that may be going through similar situations and wanted to help.

His vision was to begin a fund, completely made up of voluntary donations, to benefit members of the Ensign Family going through difficult times.

The Ensign Emergency Fund began later that year as a way of reaching out to help someone in need and fostering our value of "Loving One Another." Today, nearly 1,000 families have been helped by this Fund.

## you can give hope

The Ensign Emergency Fund is designed to provide the same kind of help we would want to provide individually, but in a way that expands the Ensign family and the availability of assistance.

Helping is easy. Fill out the form on the back of this flyer indicating the amount you would like to contribute. You can contribute a little each paycheck – from \$1 to \$10 or more.
