

The Medicare Roadmap

Medicare can pull you in different directions. Our licensed insurance agents provide the full range of options available, along with strategies and information to help you see the complete picture.

Starting Medicare

SmartMatch makes Medicare easy, allowing you to confidently choose between Medicare Advantage and Medicare Supplement insurance plans.

The SmartConnect Process

SmartConnect is an exclusive program created specifically for working or retiring adults (and family members) to explore the benefits of Medicare coverage. Here's what our concierge service looks like:

Educate

The first step is to understand the details that could impact your enrollment, costs, and coverage. To get started, visit SmartConnect's Benefits GPS: gps.smartconnectplan.com/pareto

Connect

Next, we get to know you. We'll ask you some questions about your health insurance needs and preferences so we can head down the right path.

Evaluate

Then, a licensed insurance agent will provide you with the plan and carrier options available to you

Enroll

While our services are obligation-free, if you find something you like and you're ready to take action, we can enroll you on the spot.

Support

We have a team who is dedicated to your Medicare experience. They're available to answer questions, conduct policy reviews, and even help you work with the carrier when necessary.
